Dear SWS Member / Business Associate,

RE: Singapore Welding Competition 2016

We are pleased to inform you that **Singapore Welding Society (SWS)** will be organizing the **Singapore Welding Competition 2016** during **16-17 March 2016**.

The previous Singapore Welding Competition in Mar 2014 was a big success with about 30 top-notch welders from 8 companies participating. The competition had also attracted seven corporate sponsors to support the event. Furthermore, the Singapore team of champion welders who participated at the 2014 Beijing 'Arc Cup' International Welding Competition won the Bronze medal in the team performance category!

This competition will be conducted by SWS for the sixth time now and it promises to be an even bigger event with competitions in three welding processes. This event aims to promote welding excellence in Singapore and also provides a rare opportunity for the gathering of the best welders in Singapore to exhibit their skills. **The winners will then represent Singapore to compete at the 2016 Beijing 'ARC Cup' International Welding Competition, which will be held in Beijing, China in June 2016.**

We seek your active participation at this event by:

- (i) sending your welders to participate at the competition and/or
- (ii) sponsoring this event.

Your participation and support are crucial to the success of this prestigious event. We look forward to your favorable reply.

For more information, please contact Ms Carol Lau at the Singapore Welding Society at Tel: 67797706 or email her at carol@imos.com.sg

Yours Sincerely,

Dr Sun Zheng
Vice President, SWS
Chairman, Organizing Committee
